OPENING MESSAGE

Mr. Pham Xuan Tai

Deputy Director
Ha Noi Department of Culture and Sports

First of all, I would like to extend my warmest greetings and best wishes for health and happiness to all athletes and sports enthusiasts.

The 4th Edition of the Techcombank Hanoi International Marathon takes place right after the grand celebration of the 80th Anniversary of the August Revolution and the National Day of the Socialist Republic of Vietnam. Continuing this sacred spirit, as Hanoi and the nation step into a new era of progress, the marathon is a symbolic sporting event of the Capital. It promotes a positive lifestyle, perseverance, and the aspiration to rise higher. It plays a practical role in building an advanced culture rich in national identity and fostering the nationwide movement of community sports in this new era.

Over the past three editions, the Techcombank Hanoi International Marathon has attracted thousands of athletes from both Vietnam and abroad, affirming its position as the Capital's flagship race and one of the country's most influential community sporting events. The event has enriched the people's spiritual life, encouraged healthy living, and served as a cultural and sporting bridge between Hanoi and international friends — showcasing the image of a Capital that is modern and dynamic, yet deeply rooted in its cultural heritage.

With a course that passes by 37 iconic landmarks, this year's marathon continues to be a journey of discovery, highlighting the unique beauty of Hanoi, where tradition meets modernity. Every stride on this heritage course is an opportunity to explore and promote the thousand-year-old Capital to the global running community, spreading national pride and patriotism.

On this occasion, I want to recognize and sincerely commend the efforts and determination of all athletes. Your perseverance, passion, and willpower are essential driving forces for the overall success of this race.

I wish all athletes a safe competition, excellent results, and a race day filled with fond memories.

Respectfully,

MEDICAL STATIONS

Your safety is of utmost importance to us. If you are unsure about your ability to complete the race or are not feeling physically fit in the lead up to the event, we highly recommend you seek medical advice from your doctor. Basic first aid is available throughout the event. If you require medical attention, we recommend that you visit our Information Booth or Medical Station.

Medical staff will be situated in a variety of positions on race day. Basic first aid can also be obtained at medical stations. We recommend that you have full personal insurance for this event.

Each hydration station will have 3-4 designated waste disposal areas. These areas are for discarding paper cups, gel wrappers, banana peels, and so on. Please dispose of items in the appropriate bins to maintain the urban aesthetic and uphold the image of the competition.

Note: Discarding items on any other part of the course except at designated drop zones may result in littering infringement or disqualification.

HYDRATION STATIONS

Aid Station will offer:

- Water
- Ion supply drink
- Ice
- Fruits (Banana and Watermelon)
- Toilets
- Energy Gel (Marathon)

The race course has 28 hydration stations in total for all distances located approximately 1.8 km; there are 2 aid stations at Start Line (one for 5 KM & 10 KM and one for Half Marathon & Marathon) and 1 aid station at Finish Line.

NOTE WHEN APPROACHING AID STATIONS

Slow down when entering Aid Stations. If you do not require any products from an Aid Station please avoid running too closely to it and blocking other athletes getting what they need.

There will be signs along the Aid Station listing what items are on offer. Volunteers will also be advising what they are holding. Please help the volunteers to help you by communicating politely as per your needs.
